

Marysville Community Golf & Bowls Club - October Newsletter

The members wish Chris and Barbara Muir well on their next ventures beyond Marysville and thank them for the past 18 months operating Terracotta Restaurant at the Club and their assistance in operating the golf shop each weekend.

The committee will keep the members informed as to the response to the expression of interest for possible operation of the restaurant in the future.

The club plans to operate the golf shop Saturdays and Sundays. We plan to operate a member roster for Sundays; a few hours Sunday morning 8:00AM to 11:00AM and then at 4:00PM to put the carts away. Please contact a committee member if you are able to assist even occasionally. The golf shop will be staffed over the Xmas – January holiday period, anyone interested in a casual position contact the committee.

The golf clinics on the 19th October were a great success and will be repeated again perhaps in Autumn.

The Ladies Tournament at Marysville is this Thursday the 24th October and the Men's Tournament is the weekend 16th, 17th & 18th November. Contact Lesley or Alan for details.

As a fundraiser the Club is planning to field a band of volunteers to assist at the Marysville Marathon on the 11th of November (Sunday). Anyone able to participate contact Mim Page on 0439 404 742 or pagemiriam@hotmail.com each volunteer would earn \$100.00 for the Club.

Thank you to those members who have already contributed generously to the replacement mower account; voluntary donations are welcome.

The first of the Marysville Challenge Events kicks off on Saturday the 27th October with the Woodlands Golf Club visiting Marysville again this weekend. There is the golf challenge on Saturday (9:00AM for 9:30AM start) a dinner at Terracotta Saturday night and Woodlands play a Ambrose event on the Sunday. Marysville acknowledge Woodland's support each year and look forward to another great weekend.

A new club activity is planned from the 16th November each Friday from 5:00PM until Christmas. Friday Social Golf – 3 holes – (1st 2nd & 9th). To celebrate the start of this new club activity, the Friday 16 November session will be followed by nibbles and refreshments for members and non-members. This is in addition to Twilight Golf now operating after 5:00PM week days.

Thanks to those members who have adopted a hole to assist with the gardens; Kellan and Peter are planning a new garden on the 18th!

Special acknowledgement to Kellan and the course volunteers, the volume and variety of work done in September and October is evident in the excellent condition of the course!
